

12/29

- Helena introduces the party to a "spa" / "hot springs" to relax ; take a break from their adventures
 - gives a flyer !
 - o Fey fest (spring garden)
 - o Celebrate the mischievous fair w/ all inclusive spa day
- teleport into the woods (winter solstice)
 - eventually managed to find a beamed path
 - move forwards the beamed path → spring garden
 - autumn/winter surrounding becomes spring-like (green, blossoming)
- arrived at the spring garden
 - large crowds walking / excited about a festival / celebration
 - a symbol on the flyer is important
- arrived at spa entrance
 - seems like it is closed
 - on the side, looks like a commotion

between ppl. in bath towels (a brawl)

- a free-for-all of 3 ppl.
 - or break up
- don : kragal attempts to restrain¹ the fight (feels like an MMA match)
 - wrestling, kicking, screaming
- monk pulls up to get security to stop the fight
 - (in bath robes)
- ppl. being restrained by don / kragal appear to have:
 - bloodshot eyes
 - foamy mouths
 - aggravated/aggressive
 - twitchy / spasms

a drug?
some sort of dust?
magic in place?
- kragal (medicine check) inspects the ppl.
 - effect is similar to "rage"
 - seems like their mind is psychiatrically distorted/affected
- lone security pulls up (other securities is occupied w/ other fights)
 - seems like similar incidents are occurring around the springs
 - supposedly springs gives effects of calmness but something is not right...
- security suggests to take the 3 ppl. to a particular hut
 - don / kragal take them to the hut
 - inside the hut, see that there are ppl. are chained up ; stuff

- the charmed : caged ppl. from the hut :
 - appear to be calm / tranquil ? (seem to be high?)
 - in bath robes (or partially)
 - come from the spa/springs
- a stretcher bursts into the hut :
 - on stretcher is a lizard folk
 - o looks to be burnt
 - o there is a feather on them
- the gnome appears to attempt ^{to burn} the lizard folk (their name is 3-flower)
- tyran approaches 3-flower to offer assistance
 - squirrel pops out from 3-flower's pocket (it has 3 eyes ? !)
 - 3-flower conveys that their sibling was attacked by some creature
- 3-flower offers 17k gold to subjugate the creature that maimed his sibling
 - sibling pyrox (fire druid)
 - able to burn the beast's feather (burnt feather)
 - when got into sun or light, feather's replaced w/ new ones

- pyrox hit w/ sun beam / ray (fire / radiant dmg)
 - golden feather that pyrox picks up before falling
- keragot (medicine check) finds that the creature's feather blocked the creature's own beam ; preventing dmg at a spot in pyrox's arm
 - 3-flower leads party out of hut / tent
 - looks out to large crowd
 - puts emphasis on the symbol / constellation relating to fey festival
 - points up to sky about 5 stars (constellations like up → barrier weaves → fey can get into when the sparkly garden is → fey festival)
 - o creature corrupting shanle messing up the festival / ritual
 - arch droid attempt to communicate w/ creature but to no avail
 - 3-flower directs tyron to the ^ w/ beans ; is conscious
 - appears to be far stronger
 - absorb sunlight → use for power
 - attempt communication but not small (territorial ; prideful)
 - immune to psychic attacks (charm attempt)

- creature is located in the most holy / well-known shrine
- "blossom-union" are caretakers of the spring garden
- 3-flower guides the party to the most holy shrine
- holy shrine scene
 - water has a funky effect
 - creature at the front of the shrine (active / alert)
 - combat :
 - o a cry / shout that affects entire area
 - ↳ causes "rage confusion" that forces players to attack allies
 - o summons other fog / elementals
 - ↳ magic elementals (most are magic, one is meteor)
 - ↳ sun elementals (blow up on death - radiant dmg)
 - o creature converts into a "constellation" center w/ 4 orbs surrounding it → combat ends
 - o align the orbs just like the "constellation compass" ↳
 - combat 2 :
 - o blinding radiance → blinds

- summon 2 other monstrous beings (supposedly ~120 hp each)
- creature opens their 3rd eye ; casts sun beam/ray that lights the entire area
- creature dies ; the star above it turns into a black hole
 - ↳ sides halt of the party → combat ends
- inside black hole
 - a sunset bathed world
 - cooling baby "owlbear" creature right next to Krugel / Tyran
 - inspection → fog suneating / sunstar owlbear
 - stained owlbear → materials to gather
 - in bushes, group of hyacinthope huntas
 - ↳ Krugel throws an axe at one of them
- broken lock box (outside of black hole) → offerings to holy shrine
 - 10 art pieces (100 gp / per)
 - 2 or 3 magical artifacts
